12. Each of the Resulting Companies is, presently, a wholly-owned subsidiary of the Applicant Company. After issue of shares by each Resulting Company in terms of Clause 11.1 of the Scheme of Arrangement, the Resulting Companies would cease to be subsidiaries of the Applicant Company.
13. Considering the growth opportunities in the auto, wind-energy, insurance and finance sectors, the Board of Directors of the Applicant Company has considered it timely and appropriate to demerge these activities into separate entities, each of which can focus on these core businesses and strengthen competencies.
14. The demerger will create three separate entities with management focus on clearly laid out objectives, pursuant to which: -
- Resulting Company1 would focus on auto business;
 - Resulting Company2 will focus on wind-energy generation, insurance, consumer finance, financial products distribution business and new initiatives in financial services space; and
 - The Applicant Company, defined in the Scheme as the Demerged Company, which will function primarily as an investment company will focus on new business opportunities.
15. The two new companies will be able to tap (on an arm's length basis) into the cash pool of the Demerged Company to support future growth initiatives, if required. The demerger will enable the investors to hold separate focused stocks. The demerger will facilitate more transparent benchmarking of the companies with its peers in their respective industries.
16. The Scheme would operate as under:
- The Applicant Company has formed two wholly-owned subsidiaries viz. the Resulting Company1 and Resulting Company2.

- (b) The Manufacturing Undertaking as defined in detail in the Scheme which comprises of the auto business of the Applicant Company along with all assets and liabilities pertaining thereto, including investments in PT Bajaj Auto Indonesia and in a few vendor companies and investments in Government Securities, Bonds, Debentures and Mutual Funds of Book Value of Rs. 16173.6 million (market value as on 31.03.2007 Rs. 15003.5 million) would be transferred to the Resulting Company1
- (c) The Strategic Business Undertaking as defined in detail in the Scheme comprising the generation of wind-energy using wind farms, insurance business conducted through its joint ventures Bajaj Allianz Life Insurance Company Limited and Bajaj Allianz General Insurance Company Limited, financial products distribution business conducted through Bajaj Allianz Financial Distributors Limited and interests in the retail / consumer finance business conducted by Bajaj Auto Finance Limited along with relevant assets and liabilities and Investments in Government Securities, Bonds, Debentures and Mutual Funds of Book Value of Rs. 8752.90 million (market value as on 31-03-2007 Rs. 8001.50 million) would be transferred to the Resulting Company2.
- (d) The remaining assets and liabilities including investments in group companies would be retained in the Applicant Company defined more particularly as "Remaining Undertaking" in the Scheme.
17. All shareholders in the Applicant Company on the record date would become shareholders in each of the Resulting Companies and would be issued shares of the Resulting Companies in the ratio 1:1. As per the Scheme, the relevant assets and liabilities will be transferred to the Resulting Companies at Book Value. Given the fact that all existing shareholders of the Applicant Company will have proportionate participation in the Resulting Companies in addition to their existing holding in the Applicant Company, the ratio has been fixed as 1:1.
After such issuance, each shareholder would, for every share held in the Applicant Company:-
- continue to hold one equity share of the Applicant Company of face value of Rs. 10 each fully paid up,
 - be allotted one equity share of the Resulting Company1 of face value of Rs. 10 each fully paid up and
 - be allotted one equity share of the Resulting Company2 of face value of Rs. 5 each fully paid up.
18. After the issue of new shares, the existing shareholders of the Applicant Company would hold about 70% shares in the Resulting Companies in the same ratio as their current holding, with the remaining about 30% being held by the Applicant Company. In this manner, the shareholders of the Applicant Company shall directly and indirectly hold 100% share capital of the Resulting Companies.
19. The proposed transaction reinforces the commitment of the Bajaj Auto Limited Group to the businesses of the Resulting Companies. The transaction structure will also enable the new companies to tap into the cash pool of the Applicant Company to support their future growth initiatives even while enabling the Applicant Company to participate in the growth of the auto business and the insurance business, the financial services and products distribution business.
20. Consistent with the above, the Board of Directors of the Applicant Company considered that this Scheme of Arrangement would be the most appropriate methodology, as it is transparent and no shareholder suffers any detriment. Besides, such a structure unlocks value for the shareholders. The Board of Directors of the Applicant Company is of the opinion that the demerger would benefit the shareholders, employees and other stakeholders of the Applicant Company. The restructuring would benefit the shareholders of the Applicant in as much as they would be entitled to receive (upon the coming into effect of the Scheme) shares of the Resulting Companies, which would enable the shareholders to participate in the growth and the future prospects of the Applicant as well as the Resulting Companies. Additionally, each shareholder would now have the option to choose between either remaining in all the Companies or selectively exiting any of the Companies.
21. It is therefore, proposed that the Manufacturing Undertaking and the Strategic Business Undertaking be segregated and demerged, pursuant to Scheme of Arrangement and transferred to separate companies. The Applicant Company will continue the business of the Remaining Undertaking and other businesses and develop new business focus.
22. With the aforesaid objectives, each of the Resulting Companies is intended to give effect to the terms of the Scheme of Arrangement.
23. The demerger of the Manufacturing Undertaking and the Strategic Business Undertaking of the Applicant Company under the Scheme of Arrangement will be effected under the provisions of Sections 391 to 394 of the Act. The proposed demerger complies with the provisions of Section 2(19AA) of the Income Tax Act, 1961, such that:
- all the properties of the Demerged Undertakings (as defined hereinafter) being transferred by the Demerged Company becoming the properties of the respective Resulting Companies by virtue of the demerger;
 - all the liabilities relating to the Demerged Undertakings being transferred by the Demerged Company, becoming the liabilities of the respective Resulting Companies by virtue of the demerger;
 - the properties and the liabilities, if any, relating to the Demerged Undertakings being transferred by the Demerged Company are transferred to the respective Resulting Companies at the values entered in the books of accounts of the Demerged Company;
 - each of the Resulting Companies shall issue shares to the shareholders of the Demerged Company in consideration of the demerger in the same proportion in which shares are held by them in the Demerged Company subject to the terms hereof;
 - all shareholders of the Demerged Company shall become the shareholders of each of the Resulting Companies by virtue of the demerger; and
