Let's rEVolve

Campus Challenge 2024

Rules/ Guidelines

- Team participation of **2 members (Max. 3)**

- Participants can sign up using their **personal / official email id**

- Post registration, team members **will receive a confirmation mail** on their registered email-ids containing the TEAM ID

- **TEAM ID will be required** to log in for Treasure Hunt, and EV Simulation

- Active students of any year from **UG / PG / Dual Degree / others students of Electrical, Electronics, and related branches** are eligible to register for the event

- Active students of any year from UG / PG / Dual Degree / others students of Mechanical and related branches **can register under "OTHERS"**

- The **Treasure Hunt will contain 1 round**

- **Time allotted** for Treasure Hunt will be **30 minutes**

- **All registered teams will be eligible to take part in the EV Simulation**

- For EV Simulation, only 1 member from each team needs to log in and take the simulation. **Teams can use screen share** if other team members are located elsewhere

- Top 10 teams within the campus will move from EV Simulation to the Campus Round (Design Review) for the **"CAMPUS WINNER TITLE"**

- Campus Winners will compete with another campus winner for **Cluster Round (Design Pitch)** based on a **real-time case study.**

- In case of any dispute, Bajaj Auto's decision will be considered as final

- All participants must note that the email id, bank account details (for winning teams), and phone numbers shared during the event will be considered as accurate. Bajaj Auto will not be responsible if any of these details are found to be incorrect later
