- In times of price hikes across the industry, Bajaj Auto has reduced the price of Dominar 250
- *Available at a never-before price of INR 1,54,176 (ex-showroom, Delhi) with no change in product specifications*
- *Dominar 250 is the perfect bike for riding enthusiasts to enter the world of touring*

**6<sup>th</sup> July 2021, Pune:** Bajaj Auto, the world's most valuable two-wheeler company, has announced an aggressive price of INR 1,54,176/- for its Dominar 250, giving riding enthusiasts a fresh impetus to enter the world of touring. Dominar 250 now costs INR 16,800 less than its previously listed price. The newly announced price on Dominar 250 is expected to grow the franchise further by encouraging customers to take their first step into the world of touring.

Dominar 250 continues to be packed with an entire arsenal of features that makes it the best touring bike in its category. The bike has a liquid cooled 248.8cc DOHC engine, delivering 27 PS power and 23.5 Nm of torque. Further, it retains all the state-of-the-art class-leading features of Dominar 400 like the up-side down (USD) forks that provide superior handling and comfort along with a muscular look, the twin barrel exhaust that produces a throaty exhaust note with a heavy bass, enhancing the sports tourer feel. It also features innovative bungee straps tucked under the seat to help secure gear during long distance touring, a redesigned secondary display showing time and trip information, and spacecraft inspired tank pad decals. Dominar 250 is available across all Bajaj Auto dealerships in **Canyon Red** and **Charcoal Black** colour options.

**Speaking on the occasion, Sarang Kanade – President (Motorcycle Business), Bajaj Auto Limited** said, “We, at Bajaj Auto, believe that touring on a bike opens the doors to a world of ‘real’ experiences that widens your perspective and shapes one’s character. We realize that biking for youngsters can be so much more than just street fun if the bike comes with the right dose of performance, sharp design and a superior riding experience. We are proud to build the segment of Sports Touring in the country with a motorcycle that is ‘*Born To Sprint and Built To Tour*’. In times of price hikes across the industry, we have taken a stance of reducing price on Dominar 250 and make Sports Touring more accessible.”

Dominar 250 was launched in March 2020 with the mission of expanding the rapidly growing segment of touring motorcycles in India. Launched in December 2016, its elder sibling, the Dominar 400 has captured the imagination of touring enthusiasts with 6 successful odysseys across 5 continents.
