(earlier known as Chetak Technology Limited)

BALANCE SHEET

AS AT
31 March 2026

AND

STATEMENT OF PROFIT AND LOSS

FOR THE YEAR ENDED
31 March 2026

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS

To the Members of Bajaj Auto Technology Limited (earlier known as "Chetak Technology Limited")

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Bajaj Auto Technology Limited (earlier known as "Chetak Technology Limited") (the "Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- ▶ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) No managerial remuneration has been paid by the Company during the year;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

S R B C & CO LLP

Chartered Accountants

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a) The management has represented that, to the best of its knowledge and belief and read with note 41(f) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of its knowledge and belief and read with note 40(g) to the financial statements, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on such audit procedures performed that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software (refer note 41(k) to the financial statements). Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the prior years, as stated in note 41(k) to the financial statement.

ANNEXURE 1 REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE

Re: Bajaj Auto Technology Limited (earlier known as "Chetak Technology Limited") ("the Company")

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i)(a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (i)(a)(B) The Company has maintained proper records showing full particulars of intangibles assets.
- (i) (b) All Property, Plant and Equipment were physically verified by the management in the previous year in accordance with a planned programme of verifying them once in three years which is reasonable having regard to the size of the Company and the nature of its assets.
- (i) (c) There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
- (i)(d) The Company has not revalued its Property, Plant and Equipment or intangible assets during the year ended March 31, 2026. Accordingly, the requirement to report on clause 3(i)(d) of the Order is not applicable to the Company.
- (i)(e) Based on the information and explanation given to us, there are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder. Accordingly, the requirement to report on clause 3(i)(e) of the Order is not applicable to the Company.
- (ii)(a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion, the frequency of verification by management is reasonable and the coverage and procedure of such verification by the management is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed during such physical verification.
- (ii)(b) Based on the information and explanation given by the management, the Company has not been sanctioned working capital limits on the basis of security of current assets from banks or financial institutions during any point of time of the year. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to any other entity, other to its employees as follows:

Particulars	Loans to employees (Rs. in Lakhs)
Aggregate amount granted during the year	20.63
Balance outstanding as at balance sheet date	22.80

Accordingly, the requirement to report on clause 3(iii)(a)(A) and (B) of the Order is not applicable to the Company.

S R B C & CO LLP

Chartered Accountants

- (iii)(b) During the year the investments made and the terms and conditions of the grant of all loans and advances in the nature of loans to its employees, are not prejudicial to the Company's interest. Since, the company has not provided loans, advances in the nature of loans, stood guarantee or provided security to any other entity, other than its employees, the requirement to report on clause 3(iii)(b), 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Order is not applicable in respect of any entity other than employees.
- (iii)(c) The Company has granted loans and advance in the nature of loans during the year to its employees where the schedule of repayment of principal and payment of interest has been stipulated and the repayment/receipts are regular.
- (iii)(d) In respect of loans and advances in the nature of loans granted to employees during the year, there are no amounts overdue for more than ninety days. Accordingly, the requirement to report on clause 3(iii)(d) in respect of employees is not applicable.
- (iii)(e) In respect of loans or advance in the nature of loan granted to its employees, there were no amounts fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same employees. Accordingly, the requirement to report on clause 3(iii)(e) of the Order in respect of employees is not applicable to the Company.
- (iii)(f) In respect of loans and advances in the nature of loans granted to employees, there were no amounts granted which were either repayable on demand or without specifying any terms or period of repayment. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
- (iv) The Company has not advanced any loans, guarantees, and security to any entity covered by the provisions of sections 185 and 186 of the Companies Act, 2013. Accordingly, the requirement to report on clause 3(iv) of the Order is not applicable to the Company in respect of section of 185 and 186 of the Companies Act, 2013, pertaining to these transactions.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act, 2013 and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not specified the maintenance of cost records under Section 148(1) of the Companies Act, 2013, for the products/services of the Company. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, duty of customs, cess and other statutory dues wherever applicable. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (vii) (b) There are no statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income tax, duty of customs, cess, and other statutory dues wherever applicable, which have not been deposited on account of any dispute.
- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

S R B C & CO LLP

Chartered Accountants

- (ix)(a)/(c) The Company did not have any outstanding loans or borrowings or interest thereon due to any lender during the year. Accordingly, the requirement to report on clause 3(ix)(a) and 3(ix)(c) of the Order is not applicable to the Company.
- (ix)(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (ix)(d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (ix)(e)/(f) The Company did not have any subsidiary, associate or joint venture during the year. Accordingly, the requirement to report on clause 3(ix)(e) and 3(ix)(f) of the Order is not applicable to the Company.
- (x)(a) The Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments). Accordingly, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (x)(b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year. Accordingly, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi)(a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year. Accordingly, the requirement to report on clause 3(xi)(a) of the Order is not applicable to the Company.
- (xi)(b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by secretarial auditor or by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (xi)(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year. Accordingly, the requirement to report on clause 3(xi)(c) of the Order is not applicable to the Company.
- (xii) The Company is not a Nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a), 3(xii)(b) and 3(xii)(c) of the Order are not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to section 177 of the Companies Act, 2013 is not applicable to the Company.
- (xiv)(a) The Company has an internal audit system commensurate with the size and nature of its business.
- (xiv)(b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

S R B C & CO LLP

Chartered Accountants

- (xvi)(a)/(b) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Further, the Company is not engaged in any Non-Banking Financial or Housing Finance activities and is not a Core Investment Company as defined in the regulations made by Reserve Bank of India Accordingly, the requirement to report on clause (xvi)(a), (xvi)(b) and (xvi)(c) of the Order is not applicable to the Company.
- (xvi)(d) In our opinion, and according to the information and explanation given to us, in the Group (in accordance with Core Investment Companies (Reserve Bank) Directions, 2016) there are 20 companies forming part of the Group of the Company which are CICs (These are unregistered CICs are per Para 8.1/9.1 of Notification of RBI/2020-21/24 dated 13 August 2020 of the Reserve Bank of India).
- (xvii) The Company has not incurred cash losses in the current year and amounting to Rs.268.35 lakhs in the immediately preceding financial year respectively.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly, requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in note 36 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provisions of Section 135 to the Companies Act, 2013 in relation to Corporate Social Responsibility is not applicable to the Company. Accordingly, the requirement to report on clause 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF BAJAJ AUTO TECHNOLOGY LIMITED (EARLIER KNOWN AS "CHETAK TECHNOLOGY LIMITED")

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of Bajaj Auto Technology Limited (earlier known as "Chetak Technology Limited") (the "Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls With Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

S R B C & CO LLP

Chartered Accountants

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Corporate information

Bajaj Auto Technology Limited (earlier known as Chetak Technology Limited) (the “Company”) (CIN U34105PN2021PLC204858) is a company limited by shares, incorporated and domiciled in India. The Company was incorporated on 04 October 2021 as a wholly owned subsidiary of Bajaj Auto Limited. The Company is primarily engaged in the business of research and development of innovative / new and disruptive technologies. The company is also engaged in manufacturing and distribution of automobiles and parts thereof. The registered office of the Company is located at Mumbai-Pune Road, Akurdi, Pune 411035.

The financial statements were approved for issue in accordance with a resolution of the Board of Directors of the Company on 05 May 2026.

1 Summary of material accounting policies followed by the Company

Statement of compliance and basis of preparation

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (‘the Act’) read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act, on an accrual basis.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured at fair value (refer accounting policy on financial instruments for details).

The financial statements are presented in INR, which is also the Company’s functional currency and all values are rounded to the nearest lakh (INR 00,000), except when otherwise indicated.

All assets and liabilities, other than deferred tax assets and liabilities, have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III (Division II) to the Act. Deferred tax assets and liabilities are classified as non-current assets and liabilities. Based on the nature of business and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for current and non-current classification of assets and liabilities.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1) Use of estimates, judgements and assumptions

The preparation of the Company’s financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes and in the relevant notes together with information about basis of calculation for each affected line item in the financial statements:

- a) Revenue and trade receivables [Refer para 1(2), note 19 and note 9]
- b) Provisions and contingent liabilities [Refer para 1(11), note 14 and note 29]
- c) Residual value and useful life of property, plant and equipment, intangible assets [Refer para 1(3B)]

2) Revenue from contracts with customers

Revenue is recognised when control of goods (vehicles or parts) or services have been transferred to the customer; at an amount that reflects the consideration which the Company expects to be entitled in exchange for those goods or services. Amounts disclosed as revenue are net of goods and service tax (GST). The revenue from operations is entirely on account of sale of services.

Royalty income:

Royalty revenue is based on sales and is recognised on an accrual basis in accordance with the substance and terms of the relevant agreement.

Contract liabilities

Advance received from customers

A contract liability is the obligation to transfer goods to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is received, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Other operating revenue

Income is recognised on accrual basis in accordance with the substance of their relevant agreements.

3) Property, plant and equipment and depreciation / amortisation

A. Property, plant and equipment

- i) Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Property, plant and equipment except land are carried at historical cost of acquisition, construction or manufacturing, as the case may be, less accumulated depreciation and amortisation.
- ii) Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended. Such cost includes the cost of replacing part of the plant and equipment, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the Statement of Profit and Loss as incurred.
- iii) Costs incurred to manufacture/construct property, plant and equipment are reduced from the total expense under the head "Expenses, included in above items, capitalised" in the Statement of Profit and Loss.
- iv) An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.
- v) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

B. Depreciation and amortisation methods, estimated useful lives and residual value

(a) Other tangible assets

- i. a. Depreciation is provided on a pro rata basis on straight line method to allocate the cost, net of residual value over the estimated useful lives of the assets.

The estimated useful lives are as follows:

Asset class	Useful life
Plant and machinery	10-15 years
Leasehold Improvements	05 years
Computers and IT Equipment	03-06 years
Dies and Jigs	03-08 years
Electric installations and fittings	10 years
Factory equipment's	10-15 years
Furniture	10 years
Office equipment	05-13 years
Prototype vehicles	1.5 year

- b. Where a significant component (in terms of cost) of an asset has an estimated economic useful life shorter than that of its corresponding asset, the component is depreciated over its shorter life.
- c. The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property, plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.
- ii. Assets which are depreciated over useful life/residual value different than those indicated by Schedule II are as under:

Asset class	As per Schedule II	Useful life
PDC Dies	8 years	3 years
Factory equipment	15 years	10 years
Prototype vehicles	10 years	1.5 years
Plant and machinery	15 years	10 years

- iii. Depreciation on additions is being provided on pro rata basis from the date of such month of such additions.
- iv. Depreciation on assets sold, discarded or demolished during the year is being provided up to the month in which such assets are sold, discarded or demolished.

4) Intangible assets

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

A. Technical know-how developed by the Company

- i) Expenditure incurred by the Company on development of know-how researched, is recognised as an intangible asset, if and only if the future economic benefits attributable to the use of such know-how are probable to flow to the Company and the costs/expenditure can be measured reliably.
- ii) Costs incurred to develop an intangible asset are reduced from total expenses and disclosed under the head "Expenses, included in above items, capitalised" in the Statement of Profit and Loss.
- iii) The cost of technical know-how developed is amortised equally over its estimated useful life i.e. generally three years from the date of commencement of commercial production.
- iv) An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

B. Research and development costs

Expenditure on research and development activities is recognised as an expense in the period in which it is incurred unless the recognition criteria are met. Development expenditure on an individual project are recognised as an intangible asset when the Company can demonstrate:

- ✓ The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- ✓ Its intention to complete and its ability and intention to use or sell the asset
- ✓ How the asset will generate future economic benefits
- ✓ The availability of resources to complete the asset
- ✓ The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete, and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

During the period of development, the asset is tested for impairment annually.

5) Investments, financial assets and financial liabilities

A. Investments and financial assets

(i) Classification

The company classifies its financial assets at initial recognition in the following measurement categories:

- ✓ those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- ✓ those to be measured at amortised cost.

The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets classified as "measured at fair value", gains and losses will either be recorded in profit or loss or other comprehensive income, as elected. For assets classified as "measured at amortised cost", this will depend on the business model and contractual terms of the cash flows.

(ii) Measurement

Initial Measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI), or fair value through profit or loss (FVTPL). The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them.

At initial recognition, the Company measures a financial asset at its fair value including, in the case of "a financial asset not at FVTPL", transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at "FVTPL" are expensed in the Statement of Profit and Loss, when incurred.

Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer accounting policy no.2 "Revenue from contracts with customers".

For a financial asset to be classified and subsequently measured at amortised cost or FVTOCI (excluding equity instruments which are measured at FVTOCI), it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at FVTPL, irrespective of the business model.

The Company's business model for managing financial assets refers to how it manages its financial assets to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Subsequent Measurement

Subsequent measurement of financial assets depends on the Company's business model for managing the financial asset and the cash flow characteristics of the financial asset. There are three measurement categories into which the Company classifies its financial instruments:

Subsequently measured at amortised cost:

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets that are held for collection of contractual cash flows where those cash flows represent SPPI are measured at amortised cost e.g. debentures, bonds, fixed maturity plans, trade receivables etc.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Interest income from trade receivables is included in Other operating income in the Statement of Profit and Loss; whilst interest income from the remaining financial assets is included in Other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. A gain or loss on a financial asset that is subsequently measured at amortised cost is recognised in the Statement of Profit and Loss when the asset is derecognised or impaired.

Subsequently measured at FVTOCI:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading, if any, are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Equity instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in OCI. There is no recycling of the amounts from OCI to Statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Subsequently measured at FVTPL: Financial assets that do not meet the criteria for amortised cost and FVTOCI are measured at fair value through profit or loss e.g. investments in mutual funds. A gain or loss on a financial asset that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Company assesses on a forward-looking basis, the expected credit losses associated with its financial assets carried at amortised cost for e.g., debt securities, deposits, trade receivables and bank balances. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit losses (ECL) at each reporting date, right from its initial recognition.

In respect of other financial assets (eg.: debt securities, deposits, bank balances etc), the Company generally invests in instruments with high credit rating and consequently low credit risk. In the unlikely event that the credit risk increases significantly from inception of investment, lifetime ECL is used for recognising impairment loss on such assets.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument over the expected life of the financial instrument.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' in the Statement of Profit and Loss. The balance sheet presentation for various financial instruments is described below:

- Financial assets measured at amortised cost and trade receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments based on shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

For debt instruments at fair value through OCI, the Company applies the low credit risk simplification. At every reporting date, the Company evaluates whether the debt instrument is considered to have low credit risk using all reasonable and supportable information that is available without undue cost or effort. In making that evaluation, the Company reassesses the internal credit rating of the debt instrument.

However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

(iv) Derecognition of financial assets

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset or the rights to receive cash flows from the financial asset have expired. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

(v) Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The Company applies amortised cost, where it has ability to demonstrate that the underlying instruments in the portfolio fulfill the solely payments of principal and interest ('SPPI') test and the churn in the portfolio is negligible.

B. Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of borrowings in nature of bank overdrafts / credit facilities / inter-company loans and payables, net of directly attributable transaction costs.

The Company's financial liabilities includes trade and other payables, borrowings in nature of bank overdrafts / credit facilities / inter-company loans. For purposes of subsequent measurement, financial liabilities are classified at amortised cost.

6) Impairment of non-financial assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-

Notes to financial statements for the year ended 31 March 2026

generating units). Impairment loss of non-financial assets, if any are recognised in the Statement of profit and loss.

7) Foreign currency transactions

- i) Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency').
- ii) On initial recognition, all foreign currency transactions are recorded at the foreign exchange rate on the date of the transaction.
- iii) Monetary assets and liabilities in foreign currency outstanding at the close of the financial year are revalued at the appropriate exchange rates prevailing at the close of the year.
- iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss.
- v) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

8) Inventories

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

- i) Stores, packing materials and tools which does not meet the recognition criteria of property, plant and equipment are valued at cost arrived at on a weighted average basis or net realisable value, whichever is lower.
- ii) Raw materials and components are valued at cost arrived at on a weighted average basis or net realisable value, whichever is lower.
- iii) Inventory of machinery spares and maintenance materials not being material are expensed in the year of purchase.
- iv) Goods in transit are stated at actual cost incurred up to the date of Balance Sheet. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

9) Employee benefits

a) Privilege leave entitlements

Privilege leave entitlements are recognised as a liability, in the calendar year of rendering of service, as per the rules of the Company. As accumulated leave can be availed and/or encashed at any time during the tenure of employment, subject to terms and conditions of the scheme, the accumulated leave, which is expected to be utilised within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Statement of Profit and Loss.

b) **Gratuity**

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy and Debt fund of the Life Insurance Corporation of India (LIC) and Bajaj Allianz Life Insurance Company Ltd. (BALIC). However, any deficit in plan assets managed by LIC and BALIC as compared to the liability based on an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Past service cost arising on account of amendments to defined benefit plans, including those pursuant to implementation of the new wage code, is recognised in the Statement of Profit and Loss in the period of such amendment. The same represents the change in the defined benefit obligation on account of the plan amendment.

c) **Provident fund contributions** are made to Regional Provident Fund..

10) **Taxation**

- a) Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961; and the Income Computation and Disclosure Standards prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- b) Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.
- c) Deferred tax is provided using the liability method on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

Goods and Services Tax (GST) / value added taxes paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of GST/ value added taxes paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current/non-current assets/ liabilities in the balance sheet.

11) Provisions and contingent liabilities

The Company creates a provision when there is present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When the likelihood of outflow of resources is remote, no provision or disclosure is made.

12) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee

a) Short term leases and leases of low value assets

The Company applies the short-term lease recognition exemption to its short-term leases of office spaces and certain equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

13) Government grant and Incentives

Grants from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received, and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other operating revenue.

14) Cash and cash equivalents

For presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

15) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted average number of equity shares outstanding during the period and all periods presented

is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources.

For calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

16) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Core Management Committee which includes the Managing Director who is the Chief Operating Decision Maker. The Core Management Committee examines performance both from a product as well as from a geographical perspective and has identified single operative reportable segment from which significant risks and rewards are derived.

17) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company has set policies and procedures for both recurring and non-recurring fair value measurement of financial assets, which includes valuation techniques and inputs to use for each case.

For fair value disclosures, the Company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods, significant estimates and assumptions (para 1(1))
- Quantitative disclosures of fair value measurement hierarchy (note 31)
- Financial instruments (including those carried at amortised cost) (note 31)

18) Other Income

The Company recognises other income on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent revenue is reasonably certain and can be reliably measured.

19) Employee stock compensation cost

The Company grants its employees stock options under stock options plan of Bajaj Auto Limited (the 'Holding Company'). The Company grants stock options and records them as per the terms of arrangement with the Holding Company. The scheme is managed and administered by the Holding Company and the said scheme provides that these options would generally vest ratably over a period and are to be exercised based on terms of stock options. The compensation benefit in respect of the stock options is assessed, accounted and paid by the Company as per the recharge arrangement with the Holding Company which represent the fair value of the options as accounted by Holding Company.

20) Events after the reporting period

If the Company receives information after the reporting period, but prior to the date of approved for issue, about conditions that existed at the end of the reporting period, it will assess whether the information affects the amounts that it recognises in its financial statements. The Company will adjust the amounts recognised in its financial statements to reflect any adjusting events after the reporting period and update the disclosures that relate to those conditions in light of the new information. For non-adjusting events after the reporting period, the Company will not change the amounts recognised in its financial statements, but will disclose the nature of the non-adjusting event and an estimate of its financial effect, or a statement that such an estimate cannot be made, if applicable.

21) Changes in accounting policies and disclosures

New and amended standards

Several amendments and interpretations apply for the first time annual periods beginning on or after 1 April 2025, but do not have an impact on the financial statements of the Company. The Company has not early adopted any standards or amendments that have been issued but are not yet effective.

b. Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

c. Details of shareholders holding more than 5% shares in the Company

	As at 31 March 2026		As at 31 March 2025	
	Nos.	% Holding	Nos.	% Holding
Equity shares of ₹ 10 each fully paid

Notes to financial statements for the year ended 31 March 2026

ii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

₹ in lakh

Financial assets/liabilities measured at fair value - recurring fair value measurements At 31 March 2026					
Particulars	Notes	Level 1	Level 2	Level 3	Total
Financial investments at FVTPL					
- Short-term funds	8	4,211.13	-	-	4,211.13
Total financial assets		4,211.13	-	-	4,211.13

₹ in lakh

Financial assets/liabilities measured at fair value - recurring fair value measurements At 31 March 2025					
Particulars	Notes	Level 1	Level 2	Level 3	Total
Financial investments at FVTPL					
- Short-term funds	8	3,468.72	-	-	3,468.72
Total financial assets		3,468.72	-	-	3,468.72

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in active markets. Quotes would include rates/values/valuation references published periodically by BSE, NSE etc. basis which trades take place in a linked or unlinked active market. This includes traded bonds and mutual funds, as the case may be, that have quoted price/rate/value.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data (either directly as prices or indirectly derived from prices) and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

Valuation Techniques used to determine fair value

Valuation Techniques used to determine fair value include

- Open ended mutual funds at NAV's/rates declared and/or quoted

Notes to financial statements for the year ended 31 March 2026

iii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of fixed deposits, trade receivables, trade payables, other financial assets/liabilities, loans, other bank balances and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature. The fair value of non-current financial assets/liabilities also approximate their carrying values.

Bajaj Auto Technology Limited (earlier known as Chetak Technology Limited)

Notes to financial statements for the year ended 31 March 2026

Note 32: Financial risk management

The Company's activities expose it to credit risk, liquidity risk and market risk (including foreign exchange risk).

This note explains the sources of risk which the Company is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets measured at amortised cost & fair value through profit or loss	Credit ratings	Diversification of counterparties, diversification of investment limits, monitoring of counterparties basis credit rating
	Trade receivables	Credit Limit & Ageing analysis	No. of overdue days, monitoring of credit limits
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk- Foreign Exchange	Highly probable forecast transactions and financial assets and liabilities not denominated in INR	Sensitivity analysis	Since foreign exposure is not material, company does not hedge this exposure

The Board of Directors provide guiding principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and investment of available funds. The Company's risk management is carried out by a treasury department as per such policies approved by the Board of Directors.

A) Credit risk

Credit risk refers to the risk that a counterparty may default on its contractual obligations leading to a financial loss to the Company. Credit risk primarily arises from cash and cash equivalents, derivative financial instruments, financial assets measured at amortised cost, financial assets measured at fair value through profit or loss and trade receivables. None of the financial instruments of the Company result in material concentration of credit risk.

Credit risk management

In regard to Trade receivables, the outstandings are from Holding Company and hence the Credit Risk is very low.

For other financial assets, the Company has an investment policy which allows the Company to invest only with counterparties having a credit rating equal to or above AA+ and A1+. The Company reviews the creditworthiness of these counterparties on an on-going basis. Counter party limits maybe updated as and when required, subject to approval of Board of Directors.

Bajaj Auto Technology Limited (earlier known as Chetak Technology Limited)**Notes to financial statements for the year ended 31 March 2026****B) Liquidity risk**

The Company's principal source of liquidity are "cash and cash equivalents" and cash flows that are generated from operations. The Company believes that its working capital is sufficient to meet the financial liabilities within maturity period. The Company has no outstanding term borrowings. Additionally, the Company has invested its surplus funds in fixed income securities or instruments of similar profile thereby ensuring safety of capital and availability of liquidity as and when required. Hence the Company carries a negligible liquidity risk.

The Company had (₹ In Lakh)	As at 31 March 2026	As at 31 March 2025
• Net Working capital funds which includes	35,159.99	28,789.79
i) Cash and Cash equivalents	1,046.42	557.37
ii) Current Investments	33,890.75	25,818.72

The table below summarises the contractual maturities of financial liabilities as at 31 March 2026 and 31 March 2025:

Maturities of financial liabilities

	₹ in lakh		
	Less than and equal to 1 year	More than 1 year	Total
As on 31 March 2026			
Trade payables	1,273.00	-	1,273.00
Other financial liabilities	3,790.07	-	3,790.07
Total non-derivative liabilities	5,015.20	-	5,063.07
As on 31 March 2025			
Trade payables	1,364.95	-	1,364.95
Other financial liabilities	3,011.14	-	3,011.14
Total non-derivative liabilities	4,372.77	-	4,376.09

Bajaj Auto Technology Limited (earlier known as Chetak Technology Limited)

Notes to financial statements for the year ended 31 March 2026

C) Market risk

(i) Foreign currency risk

The Company has no exports and is therefore not exposed to foreign exchange risk arising from foreign currency transactions. Foreign exchange risk arises from highly probable forecast transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The risk is measured through sensitivity analysis. The primary objective for forex hedging against anticipated foreign currency risks will be to hedge the Company's highly probable foreign currency cash flows arising from such transactions (thus reducing volatility of cash flow and profit). Currently, due to nil exports contribution, company doesn't need to hedge this exposure.

The Company also imports certain materials. Currently, Company does not hedge this exposure. Nevertheless, Company may wish to hedge such exposures.

Open exposure

The Company's exposure to foreign currency risk at the end of the reporting period are as follows

	USD Million As at 31 March 2026	USD Million As at 31 March 2025
Payables	1.69	0.19

(ii) Other risks

The Company has deployed its surplus funds into various financial instruments including units of mutual funds, fixed maturity plans etc. The Company is exposed to price risk on such investments, which arises on account of movement in interest rates, liquidity and credit quality of underlying securities.

The Company has invested its surplus funds primarily in mutual funds. The value of investment in these mutual fund schemes is reflected through Net Asset Value (NAV) declared by the Asset Management Company on daily basis. The Company has not performed a sensitivity analysis on these mutual funds based on estimated fluctuations in their NAV as in management's opinion, such analysis would not display a correct picture.

33 Employee benefits

Liability for employee benefits has been determined by an actuary, appointed for the purpose, in conformity with the principles set out in the Indian Accounting Standard 19 the details of which are as hereunder.

Funded schemes

Gratuity :

The Company provides for gratuity payments to employees. The gratuity benefit payable to the employees of the Company is greater of the provisions of the Payment of Gratuity Act, 1972 and the Company's gratuity scheme. Employees who are in continuous service for a period of 5 years are eligible for gratuity.

Others	-	-
Grand Total	734.43	716.82

Sensitivity Analysis

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

	As at 31 March 2026		As at 31 March 2025	
	Discount rate	Salary escalation rate	Discount rate	Salary escalation rate
Senior staff				
Impact of increase in 50 bps on DBO	-5.45%	5.22%	-5.22%	5.45%
Impact of decrease in 50 bps on DBO	5.91%	-4.82%	5.65%	-5.10%
Junior staff				
Impact of increase in 50 bps on DBO	-5.09%	4.04%	-6.12%	-6.55%
Impact of decrease in 50 bps on DBO	5.62%	-3.79%	6.78%	-5.98%

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analyses.

Funding arrangement and policy

The money contributed by the Company to the fund to finance the liabilities of the plan has to be invested. The trustees of the plan have outsourced the investment management of the fund to insurance companies. The insurance companies in turn manage these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. There is no compulsion on the part of the Company to fully pre fund the liability of the Plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of under funding of the plan.

The expected contribution payable to the plan next year is ₹ NIL.

Projected plan cash flow

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan:

	Less than a year	Between 1 - 2 years	Between 3 -5 years	Over 5 years	Total
31 March 2026					
Senior staff	73.11	35.19	140.21	2,054.18	2,302.69
Junior staff	97.76	92.68	305.98	2,411.87	2,908.29
31 March 2025					
Senior staff	32.46	62.14	139.10	1,506.96	1,740.66
Junior staff	30.42	31.84	98.85	1,182.04	1,343.15
Weighted average duration of defined benefit obligation (in years)				As at 31 March 2026	As at 31 March 2025
Senior Staff				11.35	10.85
Junior Staff				10.69	12.88

Principal Actuarial Assumptions (Expressed as Weighted Averages)	As at 31 March 2026	As at 31 March 2025
Discount rate (p.a.)	7.30%	6.85%
Salary escalation rate (p.a.) - senior staff	10.00%	10.00%
Salary escalation rate (p.a.) - junior staff	10.00%	10.00%

The estimates of future salary increases, considered in actuarial valuation, takes into account, inflation, seniority, promotions and other relevant factors, such as demand and supply in the employment market.

Compensated absences -Unfunded Schemes

The compensated absences cover the Company's liability for casual, earned and exigency leave.

Entire amount of the provision is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months. The following amounts reflect leave that is not expected to be taken or paid within the next 12 months.

Dear Sirs,

Re: Audit of financial statements as at and for the year ended March 31, 2026

This letter of representations is provided in connection with your audit of the financial statements of Bajaj Auto Technology Limited ("the Company") as at **March 31, 2026** and for the year then ended and your audit of the Company's internal financial controls with reference to these financial statements as at **March 31, 2026**. We recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether:

- (i) the financial statements give a true and fair view, the financial position of the Company as of **March 31, 2026** and of its financial performance (or operations) including other comprehensive income, cash flows and changes in equity of the Company for the year then ended in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 as amended ("the Act"), (Ind AS compliant Schedule III) /applicable financial reporting framework; and
- (ii) the Company had, in all material respects, an adequate internal financial controls with reference to these financial statements and the operating effectiveness of such controls as of March 31, 2026 in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI') and the Standards on Auditing issued by the ICAI and as specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to these financial statements.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with the Standards on Auditing issued by the ICAI, as specified under Section 143(10) of the Act, which involves an examination of the accounting system, internal financial controls with reference to financial statements and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves.

A. FINANCIAL STATEMENTS AND FINANCIAL RECORDS

1. We have fulfilled our responsibilities, as set out in the terms of the master engagement agreement dated **February 02, 2023** and service scope letter dated **February 02, 2026**, along with any amendments made thereto, for the preparation of the financial statements in accordance with Ind AS.
2. We acknowledge, as members of management of the Company, our responsibility for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with Ind AS, and are free of material misstatements, including omissions. We have prepared the financial statements and the same have been approved by the Board of Directors.
3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements. We believe that the selection and application of accounting policies are appropriate.

4. As members of management of the Company, we believe that the Company has a system of internal controls adequate to enable the preparation and presentation of accurate and complete financial statements in accordance with Ind AS that are free from material misstatement, whether due to fraud or error.
5. We acknowledge and are aware of our responsibility:
 - to ensure that the component management and auditors co-operate with you throughout the course of the audit to ensure effective communication.
 - to provide you with the required support to discharge your duties as auditors including facilitating review of work of component auditors of the Company's components, as applicable.
 - to provide you access to relevant audit documentation of the component auditors, in connection with your audit of the consolidated financial statements of the Company, as applicable.
6. We believe that the effects of any unadjusted audit differences, w.r.t Income statement Rs. 60.76 lakhs, Current Assets Rs. 83.84 lakhs, Non-current Assets Rs.190 lakhs and Non-current Liabilities Rs. 213 lakhs, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

B. INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

1. We are responsible for establishing and maintaining adequate and effective internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI including the use of accounting software that entails the requisite features as specified by the Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 and the preparation and presentation of the financial statements as set out in the terms of the master engagement agreement dated February 02, 2023 and service scope letter dated February 02, 2026 along with any amendments made thereto.
2. We have performed an evaluation and made an assessment of the adequacy and effectiveness of the Company's internal financial controls including its accounting software in terms of recording audit trail of each and every transaction and based on [the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
3. We have not used the procedures performed by you during the audit of internal financial controls with reference to financial statements as part of the basis for our assessment of the effectiveness of audit trails of accounting software and internal financial controls.
4. Based on the assessment carried out by us and the evaluation of the results of the assessment, we conclude that the Company:
 - a) has adequate internal financial controls that was operating effectively as at March 31, 2026
 - b) The company has used accounting software SAP-S4 HANA for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, the audit trail feature has not been tampered with respect to the accounting software where the audit trail has been enabled. Additionally, the company has recorded and preserved audit trail in full compliance with the requirements of section 128(5) of the Companies Act, 2013. Further, in respect of FY 2024-25, the Company has preserved the requirements of recording audit trail to the extent it was enabled and recorded in respect of those years.
5. There are no deficiencies in the design or operation of internal financial controls identified as part of management's evaluation, including separately disclosing to you all such deficiencies that we believe to be significant deficiencies or material weaknesses in internal financial controls in paragraph 3 above.
6. There are no changes in the accounting software from March 31, 2026 till the date of this representation letter.
7. We have provided you with:
 - all information, such as records and documentation, and other matters that are relevant to your assessment of internal financial controls;
 - all internal audit reports for the year that were issued to management till date that address internal financial controls with reference to financial statements.

- other additional information that you have requested from us;
- unrestricted access to those within the entity.

C. NON-COMPLIANCE WITH LAW AND REGULATIONS, INCLUDING FRAUD

1. We acknowledge that we are responsible to determine that the Company's business activities are conducted in accordance with laws and regulations. We are responsible to identify and address any non-compliance with applicable laws or regulations, including fraud and that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
2. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
3. We have no knowledge of any identified or suspected non-compliance with laws or regulations including fraud that may have affected the Company (regardless of the source or form and including without limitation, any allegations by "whistleblowers"), including non-compliance matters:
 - involving financial improprieties
 - related to laws and regulations that have a direct effect on the determination of material amounts and disclosures in the Company's financial statements
 - related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Company's business, its ability to continue in business, or to avoid material penalties
 - involving management, or employees who have significant roles in internal control, or others
 - in relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.
 - there are no whistle blower complaints received by the Company during the year.

There were no instances of fraud resulting in a material misstatement to the Company's financial statements and any other fraud that does not result in a material misstatement to the company's financial statements but involves management or employees who have a significant role in the Company's internal financial controls.

4. We are aware, in accordance with Section 143(12) of the Act read with Rule 13 of the Companies (Audit and Auditors) Rules, 2014, as amended that the Board or the Audit Committee is required to consider the report of the auditor and respond on the matter reported within 45 days of the date of the report of the auditor. We have not withheld from you any relevant information that we are aware of and would have an implication on the process of your responsibilities to report fraud under the statute.
5. During the year, no report under section 143(12) of the Companies Act, 2013 has been filed in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
6. We are unaware of any known or probable instances of non-compliance with the requirements of regulatory or governmental authorities, including their financial reporting requirements, and there have been no communications from regulatory agencies or government representatives concerning investigations or allegations of non-compliance or deficiencies in financial reporting practices including accounting software.
7. To the best of our knowledge and belief, the Company has not made any improper payments or payments which are illegal or against any regulations.
8. The Company has complied with all aspects of contractual agreements which could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
9. We are unaware of any violations or possible violations of laws or regulations the effects of which should be considered for disclosure in the financial statements or as the basis of recording a contingent loss.

D. INFORMATION PROVIDED AND COMPLETENESS OF INFORMATION AND TRANSACTIONS

1. We have provided you with:
 - access to all information, of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters

- all information, such as records (including SOC report) and documentation, and other matters that are relevant to your assessment of accounting software
 - additional information that you have requested from us for the purpose of the audit and
 - unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
2. All transactions have been recorded in the accounting records and are reflected appropriately in the financial statements.
 3. We have disclosed to you the use of all applications or tools using artificial intelligence, including generative artificial intelligence, that are reasonably likely to have a direct or indirect material effect on the financial statements.
 4. From the date of our last management representation letter through the date of this letter we have disclosed to you to the extent that we are aware, any (1) unauthorized access to our information technology systems that either occurred is reasonably likely to have occurred, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material effect on the financial statements in each case or in the aggregate, and (2) ransomware attacks when we paid or are contemplating paying a ransom, regardless of the amount.
 5. We have disclosed to you, and provided you full access to information and any internal investigations relating to, unauthorized access to our information technology systems that has a material effect on the financial statements, including disclosures.

E. ACCOUNTING POLICIES:

1. The accounting policies and practices which are material or critical in determining the results of operations for the year or financial position are disclosed in the financial statements. These accounting policies, except for changes disclosed in note 1 to the financial statements, are consistent with those adopted in the financial statements for the previous year. The financial statements are prepared on accrual basis.
2. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

F. REGISTERS, MINUTES AND CONTRACTS:

1. The Minutes of the meetings of the Shareholders and Directors and the Registers required to be maintained under the Act are complete and authentic. All matters required to be recorded in the registers and minute books of the Company have been, and are, recorded correctly.
2. We have made available to you all significant registers, contracts and agreements. Further we have made available to you all minutes of the meetings of shareholders, directors and committees of directors (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the **April 01, 2025** to the most recent meeting on the following date:

Sr No	Meeting Description	Date of Meeting
1	Board Meeting 1	28-04-2025
2	Board Meeting 2	17-07-2025
3	Annual General Meeting	17-07-2025
4	Board Meeting 3	06-11-2025
5	Board Meeting 4	29-01-2026
6	Board Meeting 5	17-03-2026

G. OWNERSHIP AND PLEDGING OF ASSETS INCLUDING INVESTMENTS:

1. The Company has satisfactory title to all assets including investments appearing in the balance sheet(s), and there are no liens or encumbrances on the Company's assets and investments, nor any asset and investment has been pledged as collateral. All assets and investments to which the Company has satisfactory title appear in the balance sheet.

2. There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee), held by the Company.

H. RELATED PARTY DISCLOSURES:

1. We confirm the completeness of the list of related parties and relationships as stated in **note 34** of the financial statements, and information provided regarding the identification of such related parties. We have disclosed to you the identity of the Company's related parties and all related party relationships and related party transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the March 31, 2026 end. All transactions are at arm's length and have been appropriately accounted for in accordance with applicable Ind AS requirements. All related party transactions have been appropriately accounted for and disclosed in the financial statements in accordance with Ind AS 24 'Related Party Disclosures and Section 186(4) of the Companies Act, 2013, as applicable.
2. All transactions with the related parties are in compliance with section 188 of the Act, where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
3. The Company has obtained necessary approvals in respect of all transactions or contract or arrangement with related parties, in accordance with relevant provisions of the Act, wherever applicable.
4. There are no undisclosed side agreements with the related parties with respect to any related party transactions other than those disclosed by us.
5. We have designed and implemented appropriate controls to ensure that the transactions with related parties are carried out at arms-length.
6. We have provided to you the reports and results of independent experts appointed by us to determine /access arm's length criterion for Royalty and Business Support Service transactions with Bajaj Auto Limited related parties undertaken during the year.

I. PROPERTY, PLANT & EQUIPMENT (PPE) AND INTANGIBLES:

1. No events or changes in circumstances have occurred that indicate the carrying amounts of PPE and other intangible assets may not be recoverable. Items of PPE and intangible assets have been reviewed for impairment whenever events or changes in circumstances have indicated that their carrying amounts may not be recoverable. If the recoverable amount of an asset is less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. The impairment loss is recognized as an expense in the statement of profit and loss.
2. The management uses a useful life or residual value which is different from the useful life or residual value indicated in Schedule II of Act, the basis of estimation and justification for the same, duly supported by technical advice.

Asset Class	As per Schedule II	Useful life
PDC Dies	8 years	3 years
Factory Equipment	15 years	10 years
Prototype Vehicles	10 years	1.5 year
Plant and Machinery	15 years	10 years

3. There were no outstanding commitments for capital expenditure excepting those disclosed in Note No. 30 to the financial statements.
4. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
5. All Property, Plant and Equipment were physically verified by the management in the previous year in accordance with a planned program of verifying them once in ~~three~~ years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No Material discrepancies which were noticed on such verification.

6. Property, Plant and Equipment disposed off during the year have not affected the going concern basis of accounting of financial statements.
7. The Company has maintained proper records showing full particulars of intangibles assets.
8. There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
9. The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2026.
10. We have appropriately disclosed in note 2 and note 3 to the financial statements, project wise details of ageing of Capital Work in Progress and/or Intangibles Assets under Development along with completion schedule including overruns from the expected date of completion and/or original cost of completion.

J. INVESTMENTS:

1. All the investments recorded in the financial statements belong to the Company and do not include any investments held on behalf of any other person.
2. The Company has a clear title to all its investments including such investments which are in the process of being registered in the name of the Company or which are not held in the name of the Company and there are no charges against the investments.
3. Current investments consist of only such investments as are readily realizable and intended to be held for not more than one year from the respective dates on which they were made. All other investments are treated as long term investments. Investments in short term mutual funds are generally held by the Company with an object of holding them over a period of 3 to 4 years; to avail tax indexation benefits; in addition to the normal returns. However, as they are short term in nature, the Company classifies them as "current investments" and subsequently measures them at fair value through profit or loss.
4. We have not traded or invested in any crypto currency or virtual currency during the financial year ended March 31, 2026.

K. INVENTORIES:

1. The Company follows perpetual method for physical count of inventory.
2. No item of inventory has a net realisable value in the ordinary course of business which is less than the amount at which it is included in inventories. If any, adequate provision has been made for anticipated losses in the financial statements. We have no plans to abandon lines of product or other plans or intentions that will result in any excess or obsolete inventory.
3. The management has conducted physical verification of inventory including inventory lying with third parties at reasonable intervals during the year. No Discrepancies of 10% or more in aggregate for each class of inventory were noticed on such physical verification.
4. We have performed physical verification of inventories as at April 01, 2026 and reconciled the physical quantities with the books of accounts, noting no discrepancies.
5. We confirm that the carrying value of finished goods inventory is lower than the net realizable value less costs to sell. We have recorded the required accounting adjustments to reflect the inventories at their net realizable value less costs to sell. We confirm that the inventories are in saleable condition and marketable.

L. TRADE RECEIVABLES, OTHER ASSETS AND LOANS AND ADVANCES:

1. There are no loans, investments, guarantees, and securities granted in respect of which provisions of sections 185 and 186 of the Act are applicable, other than to its employees as follows:

Particulars	Loans to employees (Rs. in Lakhs)
Aggregate amount granted during the year*	20.63
Balance outstanding as at balance sheet date	22.80

2. The Company has not made any investments and has not given any loans /guarantees/ provided security to which the provisions of section 186 of the Act are applicable, other than as mentioned in point 1 above.
3. The company has disclosed to the members in the financial statement the full particulars of the loans given, investment made or guarantee given or security provided and the purpose for which the loan or guarantee or security is proposed to be utilized by the recipient of the loan or guarantee or security.
4. No loans have been given under section 186 of the Act, at a rate of interest lower than the prevailing yield of one year, three year, five year or ten year Government Security closest to the tenor of such loan.
5. During the year the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans to its employees, are not prejudicial to the Company's interest.
6. In respect of loan(s) granted to employees, the schedule of repayment of principal amount and payment of interest has been stipulated.
7. There are no amounts of loans and advances in the nature of loans granted to companies, firms, limited liability partnerships or any other parties which are overdue for more than ninety days.
8. There were no loans or advances in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties which has fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
9. The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties.
10. The Company has maintained adequate records and documents in the register, in respect of loans and advances given, guarantee given or securities provided, and acquisitions made under section 186 of the Act and such register has been updated on periodical basis with required particulars and has been maintained in such manner as prescribed under the Act.
11. We have properly disclosed in note 9 to the financial statements, details of ageing of the trade receivables including unbilled receivables as at March 31, 2026.
12. Details of all the disputed and undisputed trade receivables have been appropriately disclosed in note 9 to the financial statements.
13. We have appropriately classified security deposits as financial assets as disclosed in note 5 to the financial statements.
14. No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

M. EQUITY:

1. We have properly recorded or disclosed in the financial statements the share/capital stock repurchase options and agreements, and shares/capital stock reserved for options, warrants, conversions and other requirements.
2. The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year ended March 31, 2026.
3. Shares held by holding as on the balance sheet date have been disclosed in Note 12 of the financial statements.
4. There are no shareholders holding more than 5% shares in the Company as on the balance sheet date except as disclosed in note 12 of the financial statements. The said information has been furnished based on the legal ownership of the shares.
5. In respect of each class of shares, we have appropriately disclosed in note 12 to the financial statements, details of shareholding of Promoters as at March 31, 2026. Further, we have appropriately disclosed to

you number and percentage of shares at the beginning of the year and percentage change in Promoter shareholding during the year.

N. BORROWINGS:

1. The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act, 2013 and the rules made thereunder, to the extent applicable.
2. We have disclosed to you, and the Company has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt. There has been no breach of any covenant attached to the borrowings.
3. There are no formal or informal compensating balance arrangements with any of our cash and investment accounts.
4. The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments).
5. The Company did not have outstanding loans or borrowings or interest thereon due to any lender during the year.
6. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
7. The Company did not raise any funds during the year
8. The Company does not have any subsidiary, associate or joint venture.
9. The Company has not been sanctioned working capital limits from banks or financial institutions during any point of time of the year on the basis of security of current assets.
10. No funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company will, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

O. TRADE PAYABLES AND OTHER LIABILITIES:

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements in accordance with the applicable Ind AS requirements.
2. The Company is regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth tax, Service tax, Duty of Customs, Duty of Excise, Value added tax, cess, goods and service tax and any other statutory dues with appropriate authorities.
3. There are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, and other statutory dues which have not been deposited on account of any dispute.
4. We have disclosed in note 16 to the financial statements, details of ageing of the trade payables including unbilled dues as at March 31, 2026.
5. Details of all the disputed and undisputed trade payables have been disclosed in note 16 to the financial statements.

P. PROVISIONS, CONTINGENT LIABILITIES AND COMMITMENTS:

1. The Company has incurred losses in previous years. Hence, the Company is not required to provide for Income-tax in respect of its assessable incomes up to and for the year March 31, 2026 in terms with the Indian Accounting Standard 12 – Income Taxes. Demands
2. There are no Contingent Liabilities as on March 31, 2026.

3. The Company has recognised deferred tax liabilities arising from net of unused tax losses or tax credits as it believes that there is convincing evidence as stated in note 15 of the financial statements.
4. There are no non-cancellable commitments, which are either material to the financial statements or are relevant in understanding the financial statements or may impact the decision making of the users of the financial statements, other than those disclosed in note 30 of the financial statements.
5. Losses arising from purchase and sales commitments have been properly recorded and adequately disclosed in the financial statements.
6. The Company has made adequate provision in regard to the amount of expenses incurred during the current year ended March 31, 2026 but for which bills and invoices are pending to be received.
7. The Company has provided for gratuity liability as at March 31, 2026, determined under projected unit credit method based on the actuarial valuation reports received from the external valuation firms "Thanawala Consultancy". The management has provided the data and assumptions based on the actual conditions existent as on December 31, 2025. The assumptions for actuarial valuation have been appropriately applied for considering the actual conditions existing as on the balance sheet date. The following are major actuarial assumptions:

Assumptions	Details
Salary increment rate	10%
Discount rate	7.30%
Withdrawal rate (attrition)	
21-40	13%
41 & above	1%

8. The Government of India has notified the Code on Wages, 2019; Industrial Relations Code, 2020; Code on Social Security, 2020; and Occupational Safety, Health and Working Conditions Code, 2020 (collectively, "Labour Codes") on 21 November 2025. Based on the revised definition of wages under the Labour Codes, the Company has recognized an estimated additional expense of ₹ 508.75 lakh towards gratuity and leave encashment as an exceptional item in the Statement of Profit and Loss.

Q. STATEMENT OF PROFIT & LOSS:

1. All materials transactions have been adequately disclosed and full provision has been made in the financial statements for all claims and losses of material amount which have resulted or may be expected to result from events which occurred or from commitments which were entered into on or before the date of balance sheet, including losses resulting from forward purchase and/or sale contracts.
2. No personal expenses have been charged to revenue accounts.
3. The transactions of the company which are represented merely by book entries are not prejudicial to the interests of the company.
4. No managerial remuneration has been paid by the Company during the year.

R. GENERAL:

1. The Company has determined its operating cycle to be of less than twelve months.
2. The Central Government has not specified the maintenance of cost records under section 148 of the Companies Act, 2013, for the products/services of the Company.
3. The Company has not entered into any non-cash transactions with directors or persons connected with the directors.
4. The Company is not a Nidhi Company.
5. The provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

6. The Company is not engaged in any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
7. The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India.
8. All disclosures as required by Micro, Small and Medium Enterprises Development (MSMED) Act, 2006 relating to Micro, Small and Medium enterprises have been appropriately disclosed in the financial statements. Payments to Micro, Small and Medium undertakings have been made within the prescribed time limit/date agreed upon with the supplier and hence no interest is payable for delayed payments. The Company has established necessary controls and policies with respect to the identification of MSMED parties as per the applicable thresholds, as notified by the Government from time to time, and we have complied with the other applicable laws and regulations with respect to procurements from Micro, Small and Medium enterprises under the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006, as amended.
9. The Company has structured its operations into one reportable segment i.e. Automotive service.
10. At the **March 31, 2026** end, the Company had no unusual commitments or contractual obligations of any sort which were not in the ordinary course of business and which might have an adverse effect upon the company
11. The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses.
12. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company
13. We confirm that the public domain email addresses of lawyers / professionals are their bonafide email addresses. These have been communicated by these lawyers / professionals as the official mode of communication, which is part of our vendor master records and we have communicated with these lawyers / professionals on these email addresses.
14. During the year, no forensic audit has been initiated by a regulatory or enforcement agencies on the Company.
15. The Company has not incurred cash losses in the current financial year and Rs. 268.35 lakhs in the immediately preceding financial year.
16. There is 20 Core Investment Company as a part of the Group.
17. The Company does have an internal audit system commensurate with its size and nature of its business.
18. No dividend has been declared or paid during the year by the Company.
19. No Scheme of arrangement has been filed by the Company with the National Company Law Tribunal during the financial year ended March 31, 2026.
20. We have not entered into any transaction and no amount is outstanding from/to companies struck off under section 248 of the Companies Act, 2013 or section 560 of the Companies Act, 1956.
21. The company has disclosed analytical ratios with an explanation of the items included in numerator and denominator for computing the ratios as disclosed in note 36 to the financial statements. Further, we have provided explanation for any change in the ratio by more than 25% as compared to the ratio of preceding financial year in note 36.

S. CORPORATE SOCIAL RESPONSIBILITY (CSR):

1. The provisions of Section 135 to the Act in relation to Corporate Social Responsibility is not applicable to the Company.

2. ENVIRONMENTAL LIABILITIES

1. There are no liabilities or contingencies arising from environmental matters in the books of the Company.

3. INCOME AND INDIRECT TAXES

1. We acknowledge our responsibility for the tax accounting methods adopted by the Company, which have been consistently applied in the current period, and for the current year income tax provision calculation.
2. We also acknowledge our responsibility for the plans with respect to future taxable income, which represent our estimates as to the outcome of those plans, based on available evidence, and for the significant assumptions used in our analysis. We would implement such strategies as necessary to prevent a tax operating loss or credit carryforward from expiring.
3. We have disclosed to you all tax opinions, correspondence with tax authorities, or other appropriate information that served as support for the accounting for potentially material matters.
4. The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

4. ESTIMATES

1. We believe that the measurement processes, including related assumptions and models, used to determine the accounting estimate(s) pertaining to residual value and useful life of assets; provision for employee benefits; tax expenses; estimation of fair value of derivative instruments; provision for warranty claims and vehicle service charges; and provision for diminution in value of investments have been consistently applied and are appropriate in the context of Ind AS and presentation requirements of Ind AS compliant Schedule III. We believe that the significant assumptions we used in making accounting estimates (including those measured at fair value), are reasonable.
2. We confirm that the disclosures made in the financial statements with respect to the accounting estimate(s), including those describing estimation uncertainty are complete and are reasonable in the context of Ind AS and Ind AS compliant Schedule II.
3. We confirm that no adjustments are required to be made to the accounting estimate(s) and disclosures in the financial statements due to subsequent events.
4. We confirm that the significant judgments made in making the accounting estimates have taken into account all relevant information of which we are aware.
5. We have disclosed to you the significant changes made to the methods, assumptions and data used and rationale behind such changes with respect to the accounting estimate mentioned in point 1.
6. We confirm that appropriate specialized skills or expertise have been applied in making the accounting estimate in point 1.

5. SUBSEQUENT EVENTS:

1. There have been no events or transactions which have occurred since the date of Balance Sheet or are pending that would have a material effect on the financial statements and requires adjustment to the accounting estimates and disclosures included in the financial statements at that date or for the period then ended, other than those reflected or fully disclosed in the financial statements.
2. No events have occurred that are of such significance in relation to the Company's affairs to require mention in a note to the financial statements in order to make them not misleading regarding the financial position, results of operations, or cash flows or changes in equity of the Company.
3. Subsequent events in relation to your opinion on Internal financial controls with reference to the financial statements:
 - 3.1. There are no changes in the internal financial controls from March 31, 2026 till the date of this representation letter including any corrective actions taken by us with regard to significant deficiencies and material weaknesses or other factors that might significantly affect internal financial controls with reference to the financial statements.

6. GOING CONCERN:

1. On the basis of the financial ratios disclosed in note 36 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, and the Board of Directors and management plans, nothing has come to our attention, which causes us to believe that any material uncertainty exists and as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

Truly Yours,

Authorized Signatory
