DIRECTORS' REPORT

The Directors present their forty-fifth (45th) Annual Report and Audited Financial Statements for the year ended 31 March 2020.

During the year under review, pursuant to the Order passed by Hon'ble Supreme Court of India on 9 January 2019, Western Maharashtra Development Corporation Ltd. (WMDC), one of the promoters of the Company transferred its entire 27% stake in the Company to Bajaj Holdings and Investment Ltd. (BHIL), the other promoter, on 17 June 2019. Consequent to this transaction, WMDC ceased to be the promoter of the Company and the shareholding of BHIL, which was already holding 24% stake, increased to 51%. As a result, BHIL became the holding Company and this Company became its subsidiary. This transaction, however, had no significant impact on the finances or operations of the Company. Upon cessation of WMDC as a promoter of the Company, the protocol agreement entered into by WMDC and BHIL, the joint promoters in 1975, having becoming infructuous, was terminated with mutual consent.

Review of operations

During the year under review, the business operations of the Company continued to be (i) manufacture of die casting dies, fixtures and die casting components, primarily meant for the automobiles industry and (ii) treasury operations involving management of surplus funds invested by the Company.

The turnover of the Company during the year under review was ₹ 21,383.00 lakh, as against ₹ 9,592.52 lakh during the previous year. Income from investments aggregating to ₹ 19,561.90 lakh represented major portion of the turnover, which during the previous year was ₹ 7,728.82 lakh.

Continued classification as a Core Investment Company

The Company continued to meet the conditions for being classified as a Core Investment Company, exempted from registration with Reserve Bank of India, pursuant to the provisions of section 45-1A of the RBI Act, 1934.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

For the financial year ended 31 March 2020.

To,
The Members,
Maharashtra Scooters Ltd.,
(CIN: L35912MH1975PLC018376)
Mumbai-Pune Road,
Akurdi, Pune - 411035.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and adherence to good corporate practices by Maharashtra Scooters Ltd., (hereinafter called as 'the Company'). Subject to limitation of physical interaction and verification of records caused by Covid-19 Pandemic lock down while taking review after completion of financial year, the Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, registers, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March 2020, complied with the applicable statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2020, according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- 2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- 3) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- 4) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- 5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable: -
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and share transfer agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 and The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; and
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 6) Regulatory framework/Directions issued by the Reserve Bank of India, as are applicable to a 'Core Investment Company', not required to obtain Certificate of Registration (COR) from RBI under section 45IA of the RBI Act, 1934, which are specifically applicable to the Company.

I have also examined compliance with the applicable clauses of the following:-

- (i) Secretarial Standards pursuant to section 118(10) of the Act, issued by the Institute of Company Secretaries of India.
- (ii) Listing Agreements entered into by the Company with BSE Ltd. (BSE) and National Stock Exchange of India Ltd. (NSE) as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

During the period under review the Company has complied with the provisions of the Act, rules, regulations, guidelines, standards mentioned above.

I further report that the Board of Directors of the Company is duly constituted with proper balance of non-executive directors and independent directors including one woman director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices were given to all directors to schedule the Board Meetings, including Committees thereof, along with agenda and detailed notes on agenda at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting by the directors. The decisions were carried unanimously.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

During the year, on 17/06/2019 Bajaj Holdings and Investment Ltd. (one of the promoters) acquired 30,85,712 equity shares of ₹ 10/- each from Western Maharashtra Development Corporation Ltd. (the other promoter of the Company), pursuant to Order of Hon'ble Supreme Court of India dated 09/01/2019. With such acquisition the Company has become subsidiary of Bajaj Holdings and Investment Ltd.

I further report that during the audit period there was no other event/action having major bearing on affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

a) Industry structure and developments

Maharashtra Scooters Ltd. (MSL), for three decades since its inception in 1975, had been operating in the geared scooter segment of the two-wheeler industry and consequently over the period it had developed adequate skills in the manufacture of pressure die casting dies, fixtures, die casting components etc. for two and three-wheelers. Since there was no market for geared scooters, the Company discontinued the production of geared scooters in April 2006, and production activity since then has been restricted to manufacture of pressure die casting dies, fixtures and die casting components etc.

b) Opportunities, Threats, Risks and Concerns

The Company ceased to manufacture geared scooters in April 2006 and since then, there has been no activity for manufacture of geared/non-geared scooters at its factory. The Company, however, continues to manufacture pressure die casting dies, fixtures and die casting components for automobiles industry. During the year, the Company continued taking steps to enhance its manufacturing capabilities. However, the manufacturing operations during the year were hit by a slowdown in the auto sector, initially due to slowing economy and further on account of start of the COVID-19 pandemic in the last quarter of the year.

c) Change in the status of the Company and business outlook

The change in the legal status of the Company is dealt with in the Director's Report. The Protocol agreement entered between Western Maharashtra Development Corporation Ltd. (WMDC) and Bajaj Holdings and Investment Ltd. (BHIL) ended during the year under review, after the transfer of stakes by WMDC to BHIL pursuant to the order of the Supreme Court. This change, however, has no significant impact on the foreseeable outlook of the Company. The loss of business opportunity on account of COVID -19 pandemic, as already mentioned earlier, is likely to adversely affect the outlook for the financial year 2020-21.

d) Segment-wise or product-wise performance

There being two reportable segments, segment-wise information is given under Note No.32.

e) Internal control systems and their adequacy

The Company has strong internal control systems, which have been found adequate by the Management of the Company. The Audit Committee reviews the internal control system/procedure periodically to ensure its adequacy and effectiveness.

f) Discussion on financial performance with respect to operational performance

The details have been furnished in the Directors' Report to the Members as well as in the Financial Highlights included in the Annual Report.

g) Material developments in Human Resources/ Industrial Relations front, including number of people employed.

As at the end of 31 March 2020, the Company had 51 permanent workers, 55 permanent staff and 59 trainees and persons working on contract basis.

h) Material financial and commercial transactions, where the Management has personal interest, which may have a potential conflict with the interest of the Company at large

There are no material financial and commercial transactions, where the Management has personal interest, which may have a potential conflict with the interest of the Company at large.

i) Significant changes in financial ratios:

Particulars	Ratio in 2019-20	Ratio in 2018-19	Over 18-19	Remarks
Debtors Turnover Ratio	3.24	3.87	(16.20%)	Lower debtors turnover ratio is due to higher despatches in Q4 due to BS VI.
Inventory Turnover Ratio	2.28	5.09	(55.20%)	Lower inventory turnover ratio is due to dies that were ready, but could not be despatched due to lockdown.
Current Ratio	16.23	17.74	(8.50%)	
Operating Profit Margin (%)	(43.66)	(48.72)	(10.40%)	
Net Profit Margin (%)	84.15	75.89	10.90%	
Return on Net Worth (%)	2.19	0.64	240.90%	Return on Net worth is higher due to higher PAT upon higher dividend income and lower net worth upon fair value changes on equity investments.

CORPORATE GOVERNANCE

Corporate Governance is about promoting the fairness, transparency, accountability, commitment to values, ethical business conduct and about considering all stakeholders' interest while conducting the business. In accordance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations and amendments thereto, (hereinafter referred to as 'SEBI Listing Regulations'), given below are the corporate governance policies and practices of Maharashtra Scooters Ltd. (hereinafter referred to as the 'Company' or 'MSL') during the financial year 2019-20.

This Report, therefore, states compliance as per requirements of the Companies Act, 2013 ('the Act') and the SEBI Listing Regulations, as applicable to the Company. As will be seen, the Company's corporate governance practices and disclosures have gone well beyond complying with the statutory and regulatory requirements stipulated in the applicable laws, including SEBI Listing Regulations.

Philosophy:

The Company believes in and has always worked towards building trust with shareholders, employees, customers, suppliers and other stakeholders on the four key elements of corporate governance – transparency, fairness, disclosure and accountability. The commitment of MSL to the highest standards of good corporate governance practices predates SEBI and the provisions of the SEBI Listing Regulations.

Board of Directors:

The Company's policy is to have an appropriate blend of executive, non-executive and independent directors, to maintain the independence of the Board and to separate the Board functions of governance and management.

Composition of the Board:

In compliance with the provisions of the SEBI Listing Regulations, the Company has a combination of independent directors and non-executive, non-independent directors with a woman independent director. The Company has a non-executive Chairman.

As on 31 March 2020, the Board of the Company consisted of six (6) directors, of whom three (3) were non-executive, independent (including one woman independent director) and three were non-executive and non-independent. The Board has no institutional nominee director. More particulars about the directors are mentioned in the Directors' Report.

According to regulation 17(1)(b) of the SEBI Listing Regulations, where the non-executive chairman is a promoter or is related to any promoter, at least one half of the Board of the Company should consist of independent directors. As Table 1 shows, this provision is complied with.

Reconstitution of Board:

During the year under review, pursuant to an Order passed by Hon'ble Supreme Court of India on 9 January 2019, Western Maharashtra Development Corporation Ltd. (WMDC), one of the promoters of the Company, since its inception in 1975, transferred its entire 27% stake to

Bajaj Holdings and Investment Ltd. (BHIL), the other promoter, on 17 June 2019. Consequent to this transaction, WMDC ceased to be a promoter of the Company and BHIL, which was already holding 24% stake, increased its stake to 51%, as a result of which BHIL has become the holding company of this Company. This transaction, however, had no significant impact on the finances or operations of the Company.

On account of the Company becoming a subsidiary of BHIL, the board of the Company was reconstituted, details of which are given in Table 1 below.

Number of meetings of the Board:

During the financial year ended 31 March 2020, the Board of Directors met six (6) times viz., on 15 May 2019, 3 July 2019, 24 July 2019, 21 October 2019, 28 January 2020 and 21 February 2020. The intervening gap between any two consecutive meetings was less than one hundred and twenty days.

Attendance record of Directors:

Attendance record of directors at the Board meetings held during the financial year ended 31 March 2020 and at the last AGM:

Table 1: Composition of the Board and attendance record of directors for 2019-20

Name of director	Category	Number of Board meetings attended	Attendance at the last AGM held on 24-Jul-19
Sanjiv Bajaj	Non-executive, Chairman	6/6	Yes
Yogesh J. Shah	Non-executive, independent	6/6	Yes
Naresh Patni	Non-executive, independent	6/6	Yes
Mrs. Lila Poonawalla*	Non-executive, independent	2/3	Not applicable
Anish P. Amin**	Non-executive, non-independent	3/3	Not applicable
V. Rajagopalan**	Non-executive, non-independent	3/3	Not applicable

* Appointed as independent director w.e.f. 25 July 2019.

** Appointed as non-executive directors w.e.f. 25 July 2019.

None of the director are related to each other.

Opinion of the Board:

The Board hereby confirms that, in its opinion, the Independent Directors on the Board fulfil the conditions specified in the SEBI Listing Regulations and the Act and are independent of the management.

Non-executive directors' compensation:

The Board, considering the recommendation of Nomination and Remuneration Committee, at its meeting held on 24 July 2019, has revised the sitting fees, from ₹20,000 to ₹50,000, payable per meeting to all non-executive directors (including independent directors) for meetings of the Board and/or Committee's attended by them from and after 1 October 2019.

No commission is paid by the Company to Non-executive Directors for attending the Board/Committee meeting(s). The Company currently does not have a stock option programme for any of its directors.

Information supplied to the Board:

In advance of each meeting, the Board is presented with relevant information on various matters related to the working of the Company, especially those that require deliberation at the highest level. Presentations are also made to the Board by different functional heads on important matters from time to time. Directors have separate and independent access to the officers of the Company. In addition to items required to be placed before the Board for its noting and/or approval, information is provided on various significant items.

In terms of quality and importance, the information supplied by the Management to the Board of the Company is far ahead of the list mandated under regulation 17(7) read with Part A of Schedule II to the SEBI Listing Regulations. As stated elsewhere, the independent directors of the Company at their meeting held on 28 January 2020 expressed satisfaction on the quality, quantity and timeliness of flow of information between the Company Management and the Board, that is necessary for the Board to effectively and reasonably perform their duties.

With a view to leveraging technology and moving towards paperless systems for the preservation of environment, the Company has now adopted a web-based application for transmitting Board/Committee papers. The Directors of the Company receive the agenda in electronic form through this secure application. The application meets high standards of security and integrity required for storage and transmission of Board/Committee agenda in electronic form.

Orderly succession to Board and Senior Management:

The Board of the Company satisfied itself that plans are in place for orderly succession for appointments to the Board and to Senior Management.

Directorships and memberships of Board Committees

Details of directorships and memberships in the various Committees as held by the directors of the Company are given in Table 2.

Table 2: Number of directorships/committee positions of directors as on 31 March 2020

Name of director	Directorships			Committee positions in listed and unlisted public limited companies

Notes: None of the directors holds office as a director, including as alternate director, in more than twenty companies at the same time. None of them has directorships in more than ten public companies. For reckoning the limit of public companies, directorships of private companies that are either holding or subsidiary company of a public company are included and directorships in dormant companies are excluded.

As per declarations received, none of the directors serves as an independent director in more than seven equity listed companies.

None of the directors was a member in more than ten Committees, nor a Chairman in more than five Committees across all companies, in which he was a director.

For the purpose of considering the limit of the committees on which a director can serve, all public limited companies, whether listed or not, have been included and all other companies including private limited companies, foreign companies and companies under section 8 of the Act have been excluded. Only Audit Committees and Stakeholders' Relationship Committees are considered for the purpose of reckoning committee positions.

The Company has received a certificate from Shyamprasad D Limaye, practising Company Secretary to the effect that none of the directors on the board of the Company has been debarred or disqualified from being appointed or continuing as directors of the Company by the Ministry of Corporate Affairs or any other statutory authority.

Review of legal compliance reports:

The Board periodically reviews compliance reports with respect to the various laws applicable to the Company, as prepared and placed before it by the Management.

Maximum tenure of Independent Directors:

The maximum tenure of independent directors is in accordance with section 149(10) of the Act and regulation 25(2) of the SEBI Listing Regulations.

Formal Letter of Appointments to Independent Directors:

The Company issues a formal letter of appointment to independent directors in the manner as provided under section 149(8) of the Act. As per regulation 46(2) of the SEBI Listing Regulations, the terms and conditions of appointment of independent directors are placed on the Company's website: www.mahascooters.com

Separate meeting of Independent Directors:

In compliance with schedule IV to the Act and regulation 25(3) of SEBI Listing Regulations, the independent directors held their separate meeting on 28 January 2020, without the attendance of non-independent directors and members of Management, to inter alia:

- i) review the performance of non-independent directors and the Board as a whole;
- ii) review the performance of the Chairperson of the Company, taking into account the views of non-executive directors;
- iii) assess the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

All independent directors were present at the meeting.

The independent directors present elected Yogesh J. Shah as Chairman for the meeting, deliberated on the above and expressed their satisfaction on each of the matters.

Performance Evaluation:

In terms of Regulation 19(4), read with section A (2) of Part D of Schedule II to SEBI Listing Regulations, the Company has framed a policy stipulating the criteria for evaluation of directors and the board. In light of SEBI's Guidance Note dated 5 January 2017 on Board Evaluation, the Nomination and Remuneration Committee and Board of Directors at their meeting held on 28 January 2018 revised the Policy containing criteria for performance evaluation.

In line with the amendment to section 178(2) of the Act, the Board of Directors of the Company at its meeting held on 28 January 2020 approved the evaluation of performance of the Board, its Committees and individual directors to be carried out by the Board only and not to be duplicated by the Nomination and Remuneration Committee, with the Committee only reviewing its implementation and compliance.

The performance evaluation process followed by the Company for the financial year 2019-20 was as under:

- Performance evaluation criteria for Board, Committees of the Board, Chairperson and Directors as approved by the Board at its meeting held on 13 October 2014, were revised on 16 May 2017 suitably in line with the Guidance Note of Board Evaluation by SEBI issued on 5 January 2017. The revised criteria are placed on the Company's website: www.mahascooters.com
- Based on the said revised criteria, rating sheets were filled by each of the directors towards the end of the period with regard to evaluation of the performance of the Board, its Committees, Chairperson and Directors (except for the director being evaluated) for the period under review.
- A consolidated summary of the ratings given by each of the director was then prepared, based on which a report of performance evaluation was prepared by the Chairman in respect of the performance of the Board, its Committees, Chairperson and Directors during the period under review.
- The report of performance evaluation so arrived at was then noted and discussed by the Nomination and Remuneration Committee and the Board at their meetings held on 28 January 2020.
- Details on the evaluation of Board, non-independent Directors and Chairperson of the Company as carried out by the independent directors at their meeting held on 28 January 2020 have been furnished in a separate para elsewhere in this Report.

Code of Conduct:

Regulation 17(5) of SEBI Listing Regulations, requires listed companies to lay down a Code of Conduct for its directors and senior management, incorporating duties of directors as laid down in the Act.

The Board has laid down a Code of Conduct for all Board members, including independent Directors and Senior Management of the Company. As mandated, the Code of Conduct is also posted on the website of the Company viz., www.mahascooters.com

As on 31 March 2020, all Board members/independent Directors and Senior Management personnel have affirmed compliance with the code. A declaration to this effect signed by the Manager (CEO) is given in this Annual Report.

Familiarisation program for Independent Directors:

With a view to familiarizing the independent directors with the Company's operations, as required under regulation 25(7) of the SEBI Listing Regulations, the Company has held various familiarisation programmes for the independent directors throughout the year on an ongoing and continuous basis.

Directors in particular were informed about their roles, responsibilities and duties under the new SEBI Listing Regulations through Board papers and appointment letter given to them.

The details of familiarisation programmes are placed at www.mahascooters.com

Board diversity Policy:

In compliance with provisions of regulation 19(4) of SEBI Listing Regulations, the Board through its Nomination and Remuneration Committee has devised a Policy on Board Diversity. The objective of the Policy is to ensure that the Board is comprised of adequate number of members with diverse experience and skills, such that it best serves the governance and strategic needs of the Company. The present composition of the board broadly meets with the above objective.

Whistle Blower Policy/Vigil Mechanism

Pursuant to section 177(9) of the Act, Regulation 22 of the SEBI Listing Regulations and SEBI (Prohibition of Insider Trading) Regulations, 2015 as amended, the Board at its meeting held on 15 May 2019 amended the existing Whistle Blower Policy.

The Whistle Blower Policy/Vigil Mechanism provides a mechanism for the director/employee to report without fear of victimisation, any unethical behaviour, suspected or actual fraud, violation of the Code of Conduct etc. violations and instances of leak of Unpublished Price Sensitive Information, which are detrimental to the organisation's interest. The mechanism protects whistle blower from any kind of discrimination, harassment, victimisation or any other unfair employment practice. The Company affirms that no employee has been denied access to the Audit Committee.

The directors in all cases and employees in appropriate or exceptional cases will have direct access to the Chairman of the Audit Committee. The said Policy is placed on the Company's website i.e. www.mahascooters.com

Dividend distribution policy:

As mandated under regulation 43A of the SEBI Listing Regulations for the top 500 companies as on 31 March 2016 by market capitalisation, the Board of Directors of the Company at its meeting held on 26 October 2016 adopted a Dividend Distribution Policy for the Company. The Policy sets out the parameters and circumstances that will be taken into account by the Board in determining the distribution of dividend to the shareholders.

As a green initiative, the Dividend Distribution Policy is hosted at www.mahascooters.com

A copy of the said Policy will be made available to any Shareholder on request by email.

Related party transactions:

All the related Party transactions (RPTs) which were entered into during the financial year were on arms' length basis and were in the ordinary course of business. These RPTs did not attract provisions of section 188 of the Act and were also not 'material' in nature as envisaged under regulation 23(4) of SEBI Listing Regulations.

During the financial year 2019-20, all RPTs were placed before Audit Committee for prior approval.

A summary statement of transactions with related parties was placed periodically before the Audit Committee during the year. Suitable disclosures have been made in the financial statements, together with the Management's explanation in the event of any treatment being different from that prescribed in accounting standards.

A statement showing the disclosure of transactions with related parties as required under Indian Accounting Standard 24 is set out separately in this Annual Report.

The revised policy on materiality of RPT's stipulating therein the threshold limits and also on dealing with RPT's was approved by the Board at its meeting held on 15 May 2019. The said policy is available at www.mahascooters.com

Details of 'material' transactions, if any, with related parties are disclosed with the Compliance Report on Corporate Governance filed with the Stock Exchanges.

There were no material transactions entered into with related parties, during the period under review, which may have had any potential conflict with the interest of the Company.

Core Skills/Expertise/Competencies:

As stipulated under part C of Schedule V to the SEBI Listing Regulations, core skills/expertise/competencies as required in the context of the business and sector for it to function effectively and those actually available with the Board have been identified by the Board of Directors.

As a green initiative, the Chart/matrix of such core skills/expertise/competence along with the names of directors who possess such skills is placed on website of the Company: www.mahascooters.com

Audit Committee:

Pursuant to the provisions of the Act and SEBI Listing Regulations as applicable, the Company has constituted an Audit Committee comprising three non-executive directors, all being independent directors, composition of which is as given below:

Table 4: Composition of the Audit Committee and attendance record of members for 2019-20

Name of director	Category	No. of Meetings attended
Yogesh J. Shah	Chairman – Independent Director	4/4
Naresh Patni	Member – Independent Director	4/4
Mrs. Lila Poonawalla*	Member – Independent Director	2/2

* Inducted as a Member of the Audit Committee w.e.f. 25 July 2019.

All members of the Audit Committee are financially literate. Yogesh J. Shah has accounting/related financial management expertise.

The terms of reference of Audit Committee, as revised pursuant to amended SEBI Listing Regulations and approved by Board at its meeting held on 15 May 2019, comply with the extant provisions of the Act and SEBI Listing Regulations, as applicable and are available on the Company's website: www.mahascooters.com

The Board has been reviewing the working of the Committee from time to time to bring about greater effectiveness in order to comply with the various requirements under the Act and applicable SEBI Listing Regulations.

The meetings of the Audit Committee are attended by its members and the invitees viz., Constituted Attorney, Chief Executive Officer, Chief Financial Officer, Internal Auditor and Statutory Auditors. Company Secretary acts as Secretary to the Committee.

The committee met four times during the year on 15 May 2019, 24 July 2019, 21 October 2019 and 28 January 2020. The time gap between two meetings was not more than one hundred and twenty days.

Yogesh J. Shah, Chairman of the Audit Committee was present at the 44th Annual General Meeting of the Company held on 24 July 2019 to answer shareholders' queries.

The Audit Committee, inter-alia, reviews:

- Management discussion and analysis of financial condition and results of operations;
- Statement of significant related party transactions submitted by Management;
- Management letters/letters of internal control weaknesses issued by the statutory auditors; and
- Internal audit reports relating to internal control weaknesses.

Nomination and Remuneration Committee:

The Board constituted the Nomination and Remuneration Committee of the Board at its meeting held on 13 October 2014 and the terms of reference for this committee were also approved by the Board in the said meeting in compliance with regulation 19 of SEBI Listing Regulations and section 178 of the Act. The terms of reference of the Committee were amended by the Board at its meeting held on 15 May 2019, to give effect to the amendment to SEBI Listing Regulations and the updated terms of reference of the committee are placed on the website of the Company viz., www.mahascooters.com

Table 5: Composition of the Nomination and Remuneration Committee and attendance record of members for 2019-20

The work related to dematerialisation/rematerialisation is handled by KFin through connectivity with NSDL and CDSL.

Dividend

The Board of Directors had recommended an interim dividend of ₹ 50 per equity share (500%) for the financial year 2019-20, already paid on 9 March 2020. No final dividend is recommended by the Directors and that the interim dividend already paid is to be treated as final dividend, subject to the approval of Shareholders at the ensuing Annual General Meeting.

Dividend paid in the previous year was ₹ 33 per equity share (330%).

Payment of dividend

As per the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations'), and SEBI Circular dated 20 April 2019, companies shall use any electronic mode of payment approved by the Reserve Bank of India for making payment to the members. Accordingly, the interim dividend which was declared on 21 February 2020 was paid through electronic mode, where the bank account details of the members were available. Where dividend payments were made through electronic mode, intimation regarding such remittance has been sent separately to the members. In case where the dividend cannot be paid through electronic mode, the same has been paid by warrants with bank account details printed thereon. In case of non-availability of bank account details, address of the members has been printed on the warrants.

Pursuant to aforesaid circular, the Company has been requesting its members holding shares in physical form to furnish details regarding their PAN and bank account for enabling payment of dividend through electronic mode. Members who are yet to respond are requested to provide the same at the earliest.

For enabling the payment of dividend in future through electronic mode, members holding shares in physical form are requested to furnish updated particulars of their bank account to KFin along with a photocopy of a cancelled cheque of the bank account and self-attested copy of PAN card. Beneficial owners holding shares in electronic form are requested to furnish their bank account details to their respective depository participants and ensure that such changes are recorded by them correctly. The request for updating particulars of bank account should be signed as per the specimen signature registered with KFin/depository participants, as the case may be.

Unclaimed dividends

Unclaimed dividends up to 1994-95 have been transferred to the general revenue account of the Central Government. FINANCIAL STATEMENTS

Independent Auditors' Report on the Financial Statements

To the Members of **Maharashtra Scooters Ltd.**

Opinion

We have audited the accompanying financial statements of Maharashtra Scooters Ltd. ('the Company'), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information other than the financial statements and auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal

Independent Auditors' Report on the Financial Statements (Contd.)

financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

Independent Auditors' Report on the Financial Statements (Contd.)

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31 March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 30 to the financial statements
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government in terms of section 143(11) of the Act, we give in 'Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A to Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Maharashtra Scooters Ltd. of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Maharashtra Scooters Ltd. ('the Company') as of 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Annexure A to Independent Auditors' Report (Contd.)

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company is engaged in the business manufacturing dies, jigs, fixtures and die casting components primarily for automobiles industry etc. The Company sells its products in India. The registered office of the Company is located at Bajaj Auto Ltd. Mumbai-Pune Road, Akurdi, Pune 411035.

1 Summary of significant accounting policies followed by the Company

Basis of preparation

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act, on an accrual basis.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured at fair value or amortised book value.

These financial statements are presented in INR, which is the company's functional currency and all value are rounded to the nearest lakh, except otherwise indicated.

All assets and liabilities, other than deferred tax assets and liabilities, have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Act. Deferred tax assets and liabilities are classified as non-current assets and liabilities. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1) Use of estimates, judgments and assumptions

Estimates and assumptions used in the preparation of these financial statements and disclosures made therein are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date. The following are items, which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about basis of calculation for each affected line item in the financial statements.

- a) Provision for employee benefits
- b) Provision for tax expenses
- c) Residual value and useful life of property, plant and equipment

2) Revenue from contract with customer

Revenue is recognised when control of goods and services have been transferred to the customer; at an amount that reflects the consideration which the Company expects to be entitled in exchange for those goods or services. The timing of when the company transfers the goods or provide services may differ from the timing of the customer's payment. Amounts disclosed as revenue are net of goods and service tax (GST).

The disclosures of significant accounting judgments, estimates and assumptions relating to revenue from contracts with customers are provided below.

a) Sales of Goods

Revenue is measured at the fair value of the consideration received or receivable from customers. Amounts disclosed as revenue are inclusive of excise duty and net of value added taxes, goods and services taxes (GST),

Notes to financial statements for the year ended 31 March 2020 (Contd.)

1 Summary of significant accounting policies followed by the Company (Contd.)

returns, discounts, rebates and incentives. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

Sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer.

The nature of contracts of the Company are such that no material part performance obligations would remain unfulfilled at the end of any accounting period.

b) Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider expected losses.

c) Dividends

Dividends are recognised in the Statement of Profit and Loss only when right to receive payment is established, and it is probable that the economic benefits associated with the dividend will flow to the Company and that amount of the dividend can be measured reliably.

d) Other income

The Company recognises income (including rent etc.) on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent revenue is reasonably certain and can be reliably measured.

3) Property, plant and equipment and depreciation/amortisation

A. Property, plant and equipment

- i) Capital work in progress, property, plant and equipment except land are carried at historical cost of acquisition, construction or manufacturing cost, as the case may be, less accumulated depreciation and amortisation. Freehold land is carried at cost of acquisition.
- ii) Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended. Such costs incurred to manufacture property, plant and equipment and intangible are reduced from the total expense under the head 'Expenses, included in above items, capitalised' in the Statement of Profit and Loss.
- iii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- iv) An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.
- v) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at regular intervals and adjusted prospectively, if appropriate.

Notes to financial statements for the year ended 31 March 2020 (Contd.)

1 Summary of significant accounting policies followed by the Company (Contd.)

B. Depreciation and amortisation

a) On Leasehold land

Premium on leasehold land is amortised over the period of lease.

b) On other tangible assets

Depreciation is provided on a pro-rata basis on the straight line method over the useful lives of the assets as prescribed by Schedule II of the Companies Act, 2013.

1. Where a significant component (in terms of cost) of an asset has an economic useful life shorter than that of its corresponding asset, the component is depreciated over its shorter life.
2. Depreciation on additions is being provided on pro-rata basis from the month of such additions.
3. Depreciation on assets sold, discarded or demolished during the year is being provided upto the previous month in which such assets are sold, discarded or demolished.

c) Impairment of assets

An assessment is done at each Balance Sheet date as to whether there are any indications that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/Cash Generating Unit (CGU) is made. If the carrying amount of the fixed assets exceeds the recoverable amount on the reporting date, the carrying amount is reduced to the recoverable amount. The recoverable amount is measured at the higher of the net selling price and value in use, determined by the present value of estimated future cash flows.

4) Investments and financial assets

i) Classification

The company classifies its financial assets in the following measurement categories:

- a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) those measured at amortised cost.

The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets classified as 'measured at fair value', gains and losses will either be recorded in profit or loss or other comprehensive income, as elected. For assets classified as 'measured at amortised cost', this will depend on the business model and contractual terms of the cash flows.

ii) Measurement

Initial Measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI), or fair value through profit or loss (FVPL). The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them.

Notes to financial statements for the year ended 31 March 2020 (Contd.)

1 Summary of significant accounting policies followed by the Company (Contd.)

At initial recognition, the Company measures a financial asset at its fair value including, in the case of 'a financial asset not at fair value through profit or loss', transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at 'fair value through profit or loss' are expensed in the Statement of Profit or Loss, when incurred.

For a financial asset to be classified and subsequently measured at amortised cost or FVOCI (excluding equity instruments which are measured at FVOCI), it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Company's business model for managing financial assets refers to how it manages its financial assets to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Subsequent Measurement

Subsequent measurement of financial assets depends on the company's business model for managing the financial asset and the cash flow characteristics of the financial asset. There are three measurement categories into which the Company classifies its financial instruments:

Subsequent measurement at amortised cost:

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets that are held for collection of contractual cash flows where those cash flows represent SPPI are measured at amortised cost e.g. Debentures, Bonds, trade receivables etc.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Interest income from trade receivables is included in Other operating income in the Statement of profit and loss; whilst interest income from the remaining financial assets is included in Other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. A gain or loss on a financial asset that is subsequently measured at amortised cost is recognised in the Statement of Profit and Loss when the asset is derecognised or impaired.

Subsequently measured at FVOCI:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading, if any, are classified as at FVPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Equity instruments included within the FVOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to Statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Notes to financial statements for the year ended 31 March 2020 (Contd.)

1 Summary of significant accounting policies followed by the Company (Contd.)

Subsequently measured at FVPL: Financial assets that do not meet the criteria for amortised cost and FVOCI are measured at fair value through profit or loss e.g. investments in mutual funds. A gain or loss on a financial asset that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or FVOCI criteria, as at FVPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has designated investments in mutual funds as at FVPL. Debt instruments included within the FVPL category are measured at fair value with all changes recognised in the profit and loss.

iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

iv) Derecognition of financial assets

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset or the right to receive cash flow from financial asset have expired. Where the entity has transferred a financial asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

v) Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

5) Inventories

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

- i) Finished stocks and stocks of work-in-progress are valued at cost of manufacturing or net realisable value whichever is lower. Cost is calculated on a weighted average basis.
- ii) Stores, packing material and tools are valued at cost arrived at on weighted average basis or net realisable value, whichever is lower.
- iii) Raw materials and components are valued at cost arrived at on weighted average basis or net realisable value, whichever is lower, as circumstances demand.
- iv) Inventory of machinery spares and maintenance materials not being material are expensed in the year of purchase.
- v) Goods in transit are stated at actual cost incurred upto the date of Balance Sheet.

Notes to financial statements for the year ended 31 March 2020 (Contd.)

1 Summary of significant accounting policies followed by the Company (Contd.)

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

6) Employee benefits

a) Privilege leave entitlements

Privilege leave entitlements are recognised as a liability, in the calendar year of rendering of service, as per the rules of the Company. As accumulated leave can be availed and/or encashed at any time during the tenure of employment, subject to terms and conditions of the scheme, the liability is recognised on the basis of an independent actuarial valuation.

They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Statement of Profit and Loss.

b) Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy of the Life Insurance Corporation of India (LIC). However, any deficit/surplus in plan assets managed by LIC as compared to the liability on the basis of an independent actuarial valuation is recognised as a liability/asset.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

c) Superannuation

Defined contribution to superannuation fund is being made as per the scheme of the Company.

d) Provident fund contributions are made to Company's Provident Fund Trust. The contributions are recognised as employee benefit expense as and when they are due.

e) Defined contribution to Employees Pension Scheme 1995 is made to Government Provident Fund Authority and recognised as employee benefit expense as and when due.

7) Taxation

a) Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income computation

Notes to financial statements for the year ended 31 March 2020 (Contd.)

1 Summary of significant accounting policies followed by the Company (Contd.)

and Disclosure standards prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

- b) Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.
- c) Minimum Alternate Tax (MAT) in respect of a year is charged to the Statement of Profit and Loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the Company will pay normal income tax and thereby utilising MAT credit during the specified period, i.e., the period for which MAT credit is allowed to be carried forward and utilised. In the year in which the Company recognises MAT credit as an asset, it is created by way of credit to the Statement of Profit and Loss and shown as part of deferred tax asset. The Company reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.
- d) Deferred tax is provided using the asset-liability method on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.
- e) Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.
- f) The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.
- g) Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.
- h) Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

8) Provisions and contingent liabilities

The Company creates a provision when there is present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When the likelihood of outflow of resources is remote, no provision or disclosure is made.

9) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

Notes to financial statements for the year ended 31 March 2020 (Contd.)

1 Summary of significant accounting policies followed by the Company (Contd.)

10) Cash and cash equivalents

For presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

11) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

12) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Management which includes the Chairman/Director. The Management examines performance of the identified two operative reportable segments from which significant risks and rewards are derived viz. Manufacturing business and Investments.

On an assessment of its ability to utilise the available MAT credit, the management has determined MAT credit of ₹ 900 lakh (previous year ₹ Nil) may be unlikely to be set off/adjusted in the future periods due to significant changes in the Income Tax Act, 1961 during the financial year. Hence the MAT credit of a similar amount has been provided for in the Statement of Profit and Loss.

27 Fair value measurement (Contd)

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in active markets. Quotes would include rates/values/valuation references published periodically by BSE, NSE etc. basis which trades take place in a linked or unlinked active market. This includes traded bonds and mutual funds, as the case may be, that have quoted price/rate/value.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data (either directly as prices or indirectly derived from prices) and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

Valuation Techniques used to determine fair value

Valuation Techniques used to determine fair value include

- Liquid mutual funds and certain bonds and debentures at NAV's/rates declared and/or quoted
- For other bonds and debentures values with references to prevailing yields to maturity matching tenures, quoted on sites of credible organisation such as FIMMDA (Fixed Income Money Market and Derivative Association of India)/ valuation by ICRA
- Commercial papers and certificate of deposits, being short-term maturity papers, amortised cost is assumed to be the fair value

iii) Fair value of financial assets and liabilities measured at amortised cost

28 Financial risk management

The company's activities expose it to liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk in the financial statements

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings, Ageing analysis	Diversification of counterparties, investment limits, check on counterparties basis credit rating and no. of overdue days
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities

The Board provides guiding principles for overall risk management, as well as policies covering specific areas, such as credit risk and investment of surplus liquidity. The Company's risk management is carried out by finance department as per the policies approved by the Board of Directors.

Credit risk

Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost and fair value through profit or loss and trade receivables.

Credit Risk Management

For financial assets the company has an investment policy which allows the company to invest only with counterparties having credit rating equal to or above AA+ and P1+. The company reviews the creditworthiness of these counterparties on an on-going basis. Another source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The company estimates the expected credit loss on the basis of past data and experience. Expected credit losses of financial assets receivable in the next 12 months are estimated on the basis of historical data provided the company has reasonable and supportable data. On such an assessment the expected losses are nil or negligible, and hence no further provision than that already made is considered necessary.

Review of outstanding trade receivables and financial assets are carried out by management at every month end. Company has a practice to provide for doubtful debts on a case to case basis after considering inter-alia customer's credibility etc. Provision is made in the books generally, for all outstanding trade receivables which are outstanding for more than 180 days from their due date, if they are considered to be doubtful.

Liquidity Risk

The company's principal source of liquidity are 'cash and cash equivalents' and cash flows that are generated from operations. The company has no outstanding term borrowings. The company believes that its working capital is sufficient to meet its current requirements. Additionally, the company has sizeable surplus funds invested in fixed income securities or instruments of similar profile ensuring safety of capital and availability of liquidity if and when required. Hence the company does not perceive any liquidity risk.

Sensitivity Analysis

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarises defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 100 basis points.

Financial assets	As at 31 March 2020		As at 31 March 2019	
	Discount rate	Salary escalation rate	Discount rate	Salary escalation rate
Impact of increase in 100 bps on DBO	396	425	407	435
Impact of decrease in 100 bps on DBO	429	399	438	410

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Funding arrangement and policy

The money contributed by the Company to the fund to finance the liabilities of the plan has to be invested. The trustees of the plan have outsourced the investment management of the fund to insurance companies. The insurance companies in turn manage these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. There is no compulsion on the part of the Company to fully pre fund the liability of the Plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of under funding of the plan.

The expected contribution payable to the plan next year is ₹ 16.00 lakh

Projected plan cash flow

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan:
